FEB Memorandum 97-46, February 18, 1997

To: Public Affairs Officials and FEB Members

From: 
Jack Ratcliffe
Executive Director

Subject: Public Affairs Internet Training

At the last meeting of the FEB's Public Affairs Officers' Committee there was a request from the group for Internet orientation and some elemental training. In response, the Department of Housing and Urban Development has graciously made available its computer learning center for our use.

The training will be offered:

DATE: **Tuesday, March 11, 1997**

TIME: **8:30 - 11:00 AM**

PLACE: **12th Floor, Wanamakers Building
100 Penn Square East**

(Enter from Juniper Street, up the left escalator, turn left, and take the first elevator bank to the 12th floor)

As an added value for the meeting, I ask that those of you coming who already are versed in Internet and the World Wide Web bring along a list of your favorite or most useful work-related book-marked sites. We can share them as a group and access several of them during the morning as part of the demonstration.

I hope you will make every effort to attend this valuable networking opportunity.

Thanks for your continued cooperation and support.

I will attend the March 11 meeting of the Public Affairs Committee.
